

24 HOUR TUBS & SHOWERS

Preferred Customer Offer

My husband and I started this company with one thing in mind: CUSTOMER SATISFATION. From the products we install to the services we provide, as long as you own our product, your complete satisfaction is important to us. This philosophy is the reason 24-Hour Tubs and Showers has grown to become America's most progressive tub and shower provider.

In a continuing effort to give our customers exceptional value, we look for ways to make our tubs and showers affordable for you. Because over 92% of our customers choose to invest in a tub or shower and surround on the initial visit, our marketing and advertising costs are reduced, and we are allowed to see more potential clients each month. This customer saves us time and money and makes an important contribution to the success of our company. To express our gratitude; we would like to extend an additional special offer for placing your order with us on the initial visit to your home. Thank you for your confidence. We look forward to making your bathroom dream a reality!

Your Sincerely,

Karen Schipula and Family
